

**Dual Enrollment Articulation Agreement Between  
District School Board of St. Johns County and  
District Board of Trustees of St. Johns River State College**

Section 1007.271 (21), Florida Statutes, specifies the development of the Dual Enrollment Articulation Agreements between the state college presidents and the superintendents of schools within their respective state college districts for the purpose of providing a primary framework within which all future Dual Enrollment objectives and activities shall be described. The District School Board of St. Johns County, hereinafter referred to as the School Board, and the District Board of Trustees of St. Johns River State College, hereinafter called SJR State, desire to implement the above statute and have, therefore, established an articulation committee with representation from the School Board and SJR State. Each year, this articulation committee will review this Agreement and the performance of parties hereunder in order to assure both parties that it continues to serve their mutual interest.

- Vice President for Academic Affairs, SJR State (Co-Chair)
- Vice President for Workforce Development, SJR State
- Dean of Arts and Sciences, SJR State
- Director of Counseling and Academic Advising, SJR State
- Director of Dual Enrollment, SJR State
- Director of Testing and Academic Success, SJR State
- Director of Workforce Services, SJR State
- Director of Career Education, School Board
- Appointed School Board Representative
- Appointed School Board Representative

The term of this agreement shall commence August 1, 2013, and end July 31, 2014. Either party may cancel this Agreement upon thirty (30) days written notice should the other party fail substantially to perform in accord with its terms through no fault of the party initiating the termination. This Agreement may be amended only by written communication signed by the Superintendent of the District School Board of St. Johns County and the President of St. Johns River State College.

The School Board and SJR State agree as follows:

1. **Ratification of articulation agreements between the State college and school district:**  
This agreement replaces any existing agreement with the School Board and SJR State regarding the Dual Enrollment Articulation Agreement, which includes the Career Pathways Articulation Agreement.
2. **Parent and student notification process about student participation in the Dual Enrollment program:** The School Board and SJR State will work collaboratively to notify eligible students and their parents of Dual Enrollment acceleration mechanisms. The School Board shall inform all eligible secondary students and their parents of Dual Enrollment as an educational option and mechanism for acceleration, including eligibility criteria, and the process by which students exercise their option to participate in Dual Enrollment. This information shall be included annually in each high school's curriculum guide, programs of study, student progression plan, and/or course catalog. SJR State shall

work with each high school to provide information for their curriculum guides/progression plans/course catalogs, will coordinate inquiries to SJR State from parents and students with high school's guidance staff, and will communicate directly with parents and students about Dual Enrollment options as appropriate. Additionally, SJR State's Director of Dual Enrollment will host annual Information Sessions for potential Dual Enrollment students on each of SJR State's campuses. The Director of Dual Enrollment will also host Information Sessions at the high school sites by request.

3. **Programs and courses available to students eligible for Dual Enrollment:**

*Program Description:* Dual Enrollment, an articulated mechanism between the School Board and SJR State, shall serve to shorten the time necessary for students to complete the requirements associated with the conferral of a degree, broaden the scope of curricular options available to students, and/or obtain opportunities for completing career/technical programs. Section 1007.271, Florida Statutes, establishes that "the Dual Enrollment program is the enrollment of an eligible secondary student in a postsecondary course creditable toward high school completion and a career certificate or an associate or baccalaureate degree" (Section 1007.271(1), F.S.). "Early admission shall be a form of Dual Enrollment through which eligible secondary students enroll in a postsecondary institution on a full-time basis in courses that are creditable toward the high school diploma and the associate or baccalaureate degree" (Section 1007.271(7), F.S.). "Career early admission is a form of career Dual Enrollment through which eligible secondary students enroll full time in a career center or a state college in courses that are creditable toward the high school diploma and the certificate or associate degree" (Section 1007.271(8), F.S.). Students enrolled as Dual Enrollment, early admission, or career early admission shall be exempt from the payment of registration, tuition, and laboratory fees. Students enrolled as Dual Enrollment, early admission, and career early admission will be eligible to participate in both high school and College activities as appropriate including graduation and other extracurricular activities.

*Course Offerings:* Dual Enrollment college credit courses are recommended to the State Board of Education by the State Articulation Coordinating Committee as meeting high school graduation requirements. The *Dual Enrollment Course -- High School Subject Area Equivalency List* states the relationship between high school and college course subject areas and dictates the awarding of credit for said classes (available online at <http://www.fldoe.org/articulation/pdf/DEList.pdf>). All courses in the Statewide Course Numbering System, with the exception of remedial courses and physical education skills courses, can be used for Dual Enrollment credit and count toward high school graduation, including electives. These courses may include but are not limited to communications, humanities, mathematics, science, social sciences, foreign languages, and workforce education courses. Physical education and college preparatory courses are excluded from this Agreement. Physical education, college preparatory, and non-credit courses in addition to courses within selected limited access programs are excluded from this agreement, as are courses with activities that presume an adult-level of maturity and personal responsibility such as study abroad. Neither traditional high school nor dual enrolled high school students may be permitted to pay to take any college courses, including physical education or college preparatory classes. Dual enrollment students must be A.A. or A.S. degree seeking students.

4. **Process for students and their parents to elect to participate in the Dual Enrollment program:**

*Procedures for Participation:*

*Application Procedure:* In order to participate in Dual Enrollment at SJR State, Dual Enrollment eligible high school students will be required to first meet with their high school's guidance counselor

to receive the Dual Enrollment Admission Form. The completed Dual Enrollment Admission Form must be submitted, with all necessary signatures, to the student's high school Dual Enrollment contact as soon as possible, but no later than 30 days before the start of the intended semester. The high school guidance counselor will confirm that the student has the appropriate class standing, CPT, P.E.R.T., ACT, or SAT test scores, and GPA to be eligible for Dual Enrollment prior to forwarding the application to SJR State.

*Acknowledgement of Principles of Participation:* Students selected for participation in Dual Enrollment and their parents must both sign and agree to the *Principles of Participation for Dual Enrollment/Early Admission Program* (available online on the SJR State's Dual Enrollment webpage at <http://www.sjrstate.edu/forms/dualprinciples.pdf>). This document will be provided to students with the Dual Enrollment Admission Form and must be submitted to the Dual Enrollment Office prior to registration.

*Registration Process:* The Dual Enrollment student would meet with their high school's Dual Enrollment contact to initiate the registration process as well as receive approval to any changes in their Dual Enrollment schedule, in order to safeguard the meeting of high school graduation requirements.

*Disabilities Accommodation:* Students will need to contact SJR State's Counseling Center to register for accommodations. The student has the responsibility to self-identify to the appropriate College personnel.

*Schedule Changes:* In order to ensure high school graduation is not compromised, Dual Enrollment students must coordinate all schedule change requests with their high school guidance counselor. The high school guidance counselor will then submit the necessary paperwork on the student's behalf to the Office of Dual Enrollment for processing. All schedule changes must be completed by the College's published add/drop deadline.

*Withdrawing from a Course:* In order to ensure high school graduation is not compromised, Dual Enrollment students must coordinate all course withdrawal requests with their high school guidance counselor. The high school guidance counselor will then submit the necessary paperwork on the student's behalf to the Dual Enrollment Office for processing. All withdrawals must be completed by the College's withdrawal deadline. Dual Enrollment students who earn a "W" by withdrawing from a course will be subject to dismissal from the Dual Enrollment program.

*Maximum Course Load:* Dual Enrollment students may take a maximum of ten (10) Dual Enrollment credit hours in the fall term, ten (10) Dual Enrollment credit hours in the spring term, and eight (8) Dual Enrollment credit hours for the summer term. Early admission Dual Enrollment students must take a minimum of twelve (12) and a maximum of fifteen (15) Dual Enrollment credit hours each fall and spring term.

*Weighting of Dual Enrollment:* The School Board will "weigh Dual Enrollment courses the same as Advanced Placement, International Baccalaureate, and Advanced International Certificate of Education courses when grade point averages are calculated" (Section 1007.271, F.S.).

*Final Course Grades:* At the end of the semester after grades are posted, the Dual Enrollment Office will transmit students' final course grades to the high school guidance counselors. Students may view

their final course grades through SJR State's online portal, MySJRstate on the Dual Enrollment tab at [mysjrstate.sjrstate.edu](http://mysjrstate.sjrstate.edu)

*College Academic Calendar:* Dual Enrollment students are required to adhere to SJR State's Academic Calendar and attend all regularly scheduled classes, regardless of any conflicts with high school holidays or extracurricular activities. SJR State's Academic Calendar is available in the College Catalog and also posted online at <http://www.sjrstate.edu/academcal.html>

*Grade Forgiveness:* Students may not repeat Dual Enrollment courses that they earned a "W", "D", or "F". All grades including "W" for withdrawal will become part of the student's permanent record. SJR State's grade forgiveness policy is that the last grade recorded for a course will be used to calculate the student's SJR State cumulative GPA.

5. **Student eligibility requirements for participation in the Dual Enrollment program:**

*Eligibility Criteria for Student Participation in Dual Enrollment:* Students eligible for Dual Enrollment must have completed the tenth (10<sup>th</sup>) grade or otherwise be selected for participation by the district, have an unweighted GPA of 3.0, and demonstrate readiness for college coursework through scores on college placement tests. Early admissions students' eligibility would be the same requirements for a Dual Enrollment student. Participation in career/vocational Dual Enrollment requires a 2.0 unweighted GPA. Participation in the career early admission program is limited to students who have completed a minimum of six (6) semesters of full-time secondary enrollment, including studies undertaken in the ninth grade. Dual Enrollment students will be required to complete the CPT, P.E.R.T., ACT, and/or SAT. No student shall be enrolled in a college credit mathematics or English Dual Enrollment course unless the student has demonstrated adequate precollegiate preparation on the appropriate sections of the CPT, P.E.R.T., ACT, or SAT (a placement test score chart is available online on the College's website at <http://www.sjrstate.edu/testchart.pdf>). High school students who do not meet the minimum class standing but who are enrolled in a career academy or are otherwise selected by their high school administration for participation in Dual Enrollment and meet the other minimum requirements may do so upon petition to SJR State's Dual Enrollment Office by their school district. High school students not enrolled through the Dual Enrollment program shall not be permitted to take college level credit or vocational credit classes at SJR State under any circumstances or proviso.

*Continued Eligibility of Student Participation in Dual Enrollment:* Dual Enrollment students who earn below a "C" (including a "W" grade) in any Dual Enrollment course will be subject to dismissal from the Dual Enrollment program. Dual Enrollment students must maintain an unweighted cumulative high school GPA of 3.0 or higher and a college GPA of 2.0 or higher to continue in the Dual Enrollment program. Career/vocational Dual Enrollment students must maintain an unweighted cumulative high school GPA of 2.0 or higher to continue in the Dual Enrollment program and a college GPA of 2.0 or higher in order to continue in the Dual Enrollment program. Students who do not meet these minimum standards to continue in Dual Enrollment may contact the Dual Enrollment Office to learn about the petition process. Students not maintaining this standard are subject to dismissal from the Dual Enrollment program and will not be eligible for admission if this standard was not met at a previous college or university. Students who do not maintain satisfactory progress at the college will be placed on academic probation. Regardless of meeting student eligibility requirements for continued enrollment, a student may lose the opportunity to participate in a Dual Enrollment course if the student is disruptive to the learning process such that the progress of other students or the efficient administration of the course is hindered.

*Loss of eligibility in Dual Enrollment:* Regardless of meeting student eligibility requirements for continued enrollment, a student may lose the opportunity to participate in a Dual Enrollment course if the student is disruptive to the learning process such that the progress of other students or the efficient administration of the course is hindered.

*Graduating seniors:* Students who graduate prior to completion of the postsecondary course may not register for the course through Dual Enrollment. Graduating seniors cannot enroll for courses until they have earned their high school diploma.

6. **Delineation of the high school credit earned for the passage of each Dual Enrollment course:**  
*Course Credit:* Students enrolled in Dual Enrollment courses shall earn both high school credit from the School Board and college credit from SJR State if they meet the minimum requirements for satisfactory completion of such courses. Students who complete a three (3), or four (4) credit hour Dual Enrollment course at SJR State with a passing grade will earn at least one-half (1/2) elective credit towards the high school diploma and/or designated subject credit assigned by the *Dual Enrollment Course -- High School Subject Area Equivalency List*.
7. **Process for informing students and their parents of college-level course expectations:**  
During the application process, students selected for participation in Dual Enrollment and their parents are given the *Principles of Participation for Dual Enrollment/Early Admission Program* (available online on the SJR State Dual Enrollment webpage at <http://www.sjrstate.edu/forms/dualprinciples.pdf>) to sign. The *Principles of Participation for Dual Enrollment/Early Admission Program* addresses the college-level course expectations as well as the fact that Dual Enrollment courses become part of a student's permanent college transcript and are calculated into the student's permanent postsecondary GPA. Additionally, SJR State's Director of Dual Enrollment will host annual Information Sessions for potential Dual Enrollment students on each of SJR State's campuses (available online on the SJR State's Dual Enrollment webpage at <http://www.sjrstate.edu/forms/deinfosession.pdf>). During these information sessions, the college-level course expectations are presented. Each fall, SJR State's Director of Dual Enrollment hosts a Dual Enrollment Orientation for new Dual Enrollment students on each of SJR State's campuses (available online on the SJR State Dual Enrollment webpage at <http://www.sjrstate.edu/forms/deorientation.pdf>). During these sessions, the differences between high school expectation and college expectations are detailed. Upon request, the Dual Enrollment Office will present Information Sessions and Orientation Sessions at the high school site.
8. **Policies and procedures for determining exceptions to the required grade point averages on an individual student basis:** Section 1007.271(3), F.S. allows exceptions to the required GPA on an individual student basis if both parties agree. Students must submit a petition and letter that must be approved by the appropriate high school personnel and College personnel. Student's coursework, college readiness, and other factors will be reviewed to determine if the student has the potential to be successful in the Dual Enrollment program. If a student is approved, the student will be placed on probationary status and may be limited in credit hours and course selection.
9. **Registration policies for Dual Enrollment courses:**  
*Course Scheduling:* Section 1007.271(5), Florida Statutes, establishes that "District school boards shall annually assess the demand for Dual Enrollment and other advanced courses, and the district school board shall consider strategies and programs to meet that demand and include access to Dual Enrollment on the high school campus whenever possible. Alternative grade calculation, weighting systems, or information regarding student education options which discriminates against Dual

Enrollment courses is prohibited.” So as to implement the above statute, the School Board and SJR State will work collaboratively to ensure students eligible for Dual Enrollment shall be permitted to enroll in Dual Enrollment courses offered on the high school site, on SJR State’s campuses, and/or offered through distance learning as appropriate. Students eligible for Dual Enrollment shall be permitted to enroll in Dual Enrollment courses conducted during school hours, after school hours, and during the summer terms.

*Registration Procedure:* After acceptance into the Dual Enrollment program, the student and high school Dual Enrollment contact will meet to fill out the course registration form. The high school’s Dual Enrollment contact will submit the Dual Enrollment registration form to the SJR State’s Dual Enrollment Office. The Dual Enrollment Course Registration Form should be submitted as soon as possible, ideally not later than fifteen (15) business days before that fall and spring academic term’s Dual Enrollment Registration Date; students will be allowed to register for courses approximately two weeks before each summer term. During Dual Enrollment Registration, Dual Enrollment students taking courses on the College site will be required to log into MySJRstate, SJR State’s online portal, to confirm their registration. Students registering for Dual Enrollment courses taught on the high school site will be registered after the beginning of the fall and spring semesters.

#### **10. Program Management and Quality Assurance:**

Dual Enrollment courses are college courses with the identical content and learning outcomes expected of all other college courses identified with the same statewide course prefixes and numbers. To ensure that the Dual Enrollment program demonstrates the level of academic rigor expected of all college courses and programs, the School Board and SJR State’s Dual Enrollment Program will adhere to the rules dictated in the *Statement of Standards of Dual Enrollment/Early College Programs in the Florida State College System* (available online at <http://www.fldoe.org/articulation/pdf/DualEnrollmentStatementStandards.pdf> that was codified in State Board of Education Rule 6A-14.064, FAC.

*Dual Enrollment Instructors:* Teachers of Dual Enrollment courses will have college teaching credentials established by the Southern Association of Colleges and Schools (SACS). Appropriate School Board and SJR State staff shall meet and confer to recommend qualified faculty for Dual Enrollment classes taught on the high school site. Preference will be given to qualified high school teachers in the selection process. All instructors will meet or exceed the academic and professional preparation requirements for teaching at SJR State. All Dual Enrollment faculty will have completed at least eighteen (18) graduate semester hours in the teaching discipline and hold at least a master’s degree. SJR State shall appoint all instructors.

*Faculty Evaluation:* SJR State will evaluate instruction and monitor student performance and student satisfaction in all Dual Enrollment classes using the same criteria for judging instructional quality as in effect in all classes offered at the College. To ensure course content, requirements, and evaluation components for Dual Enrollment courses taught on the high school site will be identical to those taught on SJR State’s campuses, all SJR State’s Dual Enrollment instructors will be assigned a curriculum coordinator and/or mentor from SJR State’s full-time faculty. The assigned SJR State’s personnel will evaluate the Dual Enrollment teacher annually based on the College’s teacher evaluation criteria.

*Dual Enrollment Advisory Committee:* The School Board and SJR State shall appoint an advisory committee to make recommendations regarding the Dual Enrollment classes and other aspects of this Agreement.

*Administration:* SJR State shall appoint an administrator, the Director of Dual Enrollment, who shall represent SJR State in all matters pertaining to the operation of Dual Enrollment classes and shall serve as liaison between the School Board and SJR State. The School Board shall appoint an administrator who shall represent the School Board in all matters pertaining to the operation of the Dual Enrollment classes and shall serve as liaison between the School Board and SJR State.

**11. Determination of Student Eligibility and Monitoring of Student Performance:**

*High School Guidance Services:* The School Board's guidance staff will maintain oversight and monitoring responsibility to ensure the meeting of high school graduation requirements remains the first priority. In addition, each high school's Dual Enrollment contact will check the unweighted GPA of Dual Enrollment students to confirm GPA qualifications are met. To ensure seamless articulation and coordination, high school guidance counselors will meet at least once per year with SJR State's college advisors.

*College Guidance Services:* Prior to the beginning of the fall term, SJR State's Dual Enrollment Office will host Dual Enrollment Orientation Sessions on the College campus for new and returning Dual Enrollment students. The purpose of the Dual Enrollment Orientation Sessions will be to introduce the Dual Enrollment students to the College campus; highlight the SJR State guidance, career, library, and college planning services available; and clarify College policies and procedures. A key advising point that will be shared with parents and students is that Dual Enrollment grades are calculated and recorded in the student's college GPA and transcript, creating a permanent record that can impact future university admission decisions. At this time, all high school Dual Enrollment students will be assigned a MySJRstate account. Through this online portal, the College will send the student communications about educational and career development activities. Additionally, Dual Enrollment students will work with the staff of SJR State's Dual Enrollment Office regularly throughout the process of planning and scheduling Dual Enrollment courses. Dual Enrollment and early admission students are encouraged to meet regularly with college counselors and to develop a post-secondary plan and major during information and orientation sessions. Dual Enrollment and Early Admission students will be required to meet with a College advisor after completion of 24-30 college credits.

*Responsibility for Student Screening:* The Florida College Entry-Level Placement Test (CPT) will be administered by SJR State to high school students eligible for Dual Enrollment upon request by any School Board high school principal or the principal's designee at times and places based on mutual agreement. SJR State will be solely responsible for providing test security at all testing sites. SJR State will administer and provide the CPT test materials at no charge for high school students eligible for Dual Enrollment. SJR State will provide test results for individual students to the appropriate high school's guidance counselors. Interpretation of Dual Enrollment students' CPT test results will be provided by SJR State to high school personnel for distribution to students and to assist in the development of academic interventions by high schools to improve student skills.

*Testing at the College Campus:* The P.E.R.T. may be administered at a testing center at SJR State as arranged with the high school. Students will be responsible for providing their own transportation to the College. Reasonable accommodations will be provided at the test site at the expense of the College for the administration of the P.E.R.T. to students with disabilities. Testing accommodations must be arranged in advance.

*Testing at the High School Site:* If twenty (20) or more high school students eligible for Dual Enrollment prearrange through their guidance counselors to take the CPT, the CPT may be administered at a high school facility designated by the high school and approved by SJR State as an appropriate test site. Reasonable accommodations will be provided at the test site at the expense of the high school for the administration of the CPT to students with disabilities. An SJR State assessment staff member will provide test materials and test administration at all testing sessions and will inventory and return materials to the SJR State assessment center. If the number of students testing is great enough to require additional proctors beyond the SJR State staff members in attendance, the high school will provide additional proctors to ensure that testing requirements are met. Testing accommodations must be arranged in advance.

The high school can administer the P.E.R.T. for Dual Enrollment purposes. If the high school elects to administer the P.E.R.T., then any expense occurred would be covered by the high school. The Dual Enrollment contact for the high school would be responsible for providing individual student's test scores to SJR State's Dual Enrollment Office.

*Retaking the CPT and/or P.E.R.T.:* Dual Enrollment students may retake the CPT and/or P.E.R.T. once during their high school tenure in accordance with SJR State's CPT and P.E.R.T. Policies and Procedures.

*Student Policies, Procedures, and Behavioral Expectations:* Students enrolled in Dual Enrollment classes will be subject to the student policies and procedures of both the School Board and SJR State. Should a conflict be identified as a result of either institution's policies or procedures, the School Board and SJR State will notify each other of behavioral infractions and will jointly resolve the conflict while providing due process for students. College policies and procedures are published in the College Catalog and are also available online on the Student Services website at <http://www.sjrstate.edu/catalog.html>

12. **Student Grades and Records:**

*Student Grades:* Transmission of student grades in Dual Enrollment: Grades assigned by the post-secondary institution for Dual Enrollment courses, including the "W," are to be accepted at face value by the School Board and are not to be changed on the student's high school academic record (SBE Rule 6A-1.09941, F.A.C.).

*Student Records:* The School Board and SJR State may provide personally identifiable student records to each other in the performance of this agreement. Such records are provided pursuant to Section 1002.22(3)(d), Florida Statutes, and 20 U.S.C.A. 1232g. Each party further agrees to comply with Section 1002.22, Florida Statutes, and 20 U.S.C.A. 1232g, including but not limited to provisions related to confidentiality, access, consent, length of retention and security of student records.

13. **Responsibility for Costs:**

*Full-Time Equivalency Funding:* The School Board shall be eligible for Full-Time Equivalency (FTE) funding in accordance with Florida law and rules. For dual enrollment courses offered on the College campus and online, the school district shall pay the standard tuition rate per credit hour from the Florida Education Finance Program (FEFP). For dual enrollment courses offered on the high school campus by a qualified high school teacher, by an SJR State adjunct, or by an SJR State full-time instructor, the school district shall be responsible for the college's actual costs associated with dual enrollment. For 2013-2014, the following per credit hour rates will apply:

- Course taught on SJR State Campus: \$71.98/credit hour
- Course taught online: \$71.98/credit hour

- Course taught on the high school campus by an SJR State adjunct with a Masters Degree or full time instructor teaching as an overload with a Masters Degree: \$59.50 per credit hour
- Course taught on the high school campus by an SJR State adjunct with a Doctoral Degree or full time instructor teaching as an overload with a Doctoral Degree: \$65.97 per credit hour
- Course taught on the high school campus by an SJR State full time instructor teaching as part of base load: \$168.74 per credit hour

*Add/Drop and Withdrawal Policy:* Students may add or drop a course during the Add/Drop window denoted on the College's Academic Calendar. The District will not be assessed tuition for students who drop a course during Add/Drop. After the conclusion of Add/Drop, students may withdraw from a course without academic penalty (a grade of "W") at any time prior to the point in the semester as published in the academic calendar. The District will be responsible for tuition for students who withdraw from a course after the conclusion of Add/Drop.

*Student Fees:* Any student enrolled in the Dual Enrollment program shall be exempt from the payment of textbook, registration, tuition, and laboratory fees. Students enrolled in Dual Enrollment courses will be responsible for the cost of any personal or consumable items associated with a specific course or program such as school supplies, background checks, blood tests, etc.

*Instructional Materials:* SJR State shall select textbooks used in Dual Enrollment courses. Payment for required textbooks for classes conducted on the high school campuses or on SJR State's campuses will be through the individual high schools. The textbooks shall be the property of the School Board. Inventories of Dual Enrollment textbooks will be maintained by individual high schools and/or school district. The District will inform students of any fines relating to instructional materials (e.g., late return or lost book fees) prior to issuing them back to the students. The District must provide each student with a textbook for each Dual Enrollment course, including courses taught at the high school site. A class set of book does not suffice. Textbooks used by Dual Enrollment students at high school sites will follow the Department of Education's cycle for textbook replacement, with the following provisions: 1) the College has not changed the textbook, or 2) the new textbook edition has not so substantively changed in content that it has rendered the previous edition unusable.

*Instructor Fees:* SJR State is responsible for the full cost of the instructor for courses taught on SJR State's campuses. The School Board is responsible for the full cost of the instructor for courses taught at the high school sites.

*Facility and Laboratory Fees:* SJR State is responsible for the full cost of any facility and laboratory fees for courses taught on SJR State's campuses and online. The School Board is responsible for the full cost of any facility and laboratory fees for courses taught on the high school site.

*Disability Services:* As required by law, students with disabilities must receive appropriate accommodations. SJR State will be responsible for the cost of providing the necessary accommodations for courses taken on SJR State campuses. The School Board will be responsible for the cost of providing the necessary accommodations for courses taken at the high school sites and for the cost of adaptive textbooks and other materials. Students with disabilities will be responsible for providing appropriate documentation so that accommodations can be provided.

14. **Responsibility for Student Transportation:**

Students will be responsible for providing their own transportation to and from Dual Enrollment classes on SJR State's campuses.

15. **Submission of Updated Dual Enrollment to the Florida DOE:**

The College shall be responsible for submitting annually an updated copy of the Dual Enrollment Articulation Agreement electronically to the Florida Department of Education, Office of Articulation, by August 1st.
