FOR ALL MAJORS: Students are strongly encouraged to select required lower division electives that will enhance their general education coursework and that will support their intended baccalaureate degree program. Students should consult with an academic advisor in their major degree area.

FOR EDUCATION MAJORS: General education courses will be determined by the community college or university where the student currently is earning the Associate in Arts or baccalaureate degree, and will be published in the institution's existing catalog and in the Community College Counseling Manual.

- (1) In addition to EDFX085, a minimum of 6 sh with an international or diversity focus is required. Eligible courses will be determined by the community college or university where the student is currently earning the Associate in Arts or baccalaureate degree. Foreign language courses may be used to meet this requirement.

Program: Music Teacher Education

CIP: 13.1312

Track: 1

Offered At: FAMU, FAU, FSU*, UCF*, UF*, UNF*, USF

Program Length: 134 Cr. Hrs.

(UWF under CIP 50.0903)

REVISED 2/25/09

REVISED 10/28/2009

Please note that FIU offer Music Teacher Education as a track within 50.0901. The common prerequisites for the 50.0901 track are different.

FOR ALL MAJORS: Students are strongly encouraged to select required lower division electives that will enhance their general education coursework and that will support their intended baccalaureate degree program. Students should consult with an academic advisor in their major degree area.

NOTE: Applicants who have accumulated 60 credit hours of college-level course work and meet admissions criteria will need to complete common prerequisites. Generally, transfer students with an A.A. degree or students from other universities are considered for provisional admission. These students may be required to complete as many as four semesters at the university to complete the pre-professional design requirements because of the sequential nature of the courses. Students should apply to the Summer A term of UF to begin the required sequence of design courses.

* Limited Access.

LOWER LEVEL COURSES

FOR ALL MAJORS: Students are strongly encouraged to select required lower division electives that will enhance their general education coursework and that will support their intended baccalaureate degree program. Students should consult with an academic advisor in their major degree area.

NOTE: Admission to Bachelor of Applied Science (B.A.S.) degree programs usually require an Associate in Science (A.S.) or Associate in Applied Science (A.A.S.) degree in a related area. If a student has earned an Associate in Arts (A.A.) degree or an A.S. degree, and A.A.S. degree, or its equivalent in an unrelated area, the student may be admitted on a case-by-case basis with approval of the appropriate academic administrator. Some majors may have licensure or other types of requirements prior to admittance. Due to the variance in specialized B.A.S. degree programs and concentrations, students are strongly encouraged to consult with an academic advisor at the B.A.S. degree-granting institution.

(Please see notes in the following page)

FOR ALL MAJORS: Students are strongly encouraged to select required lower division electives that will enhance their general education coursework and that will support their intended baccalaureate degree program. Students should consult with an academic advisor in their major degree area.

- (1) Not required for SPC BSN program; Passing score on NCLEX exam demonstrates competency in the content area. NOTE: Graduation from an A.S. program and active RN licensure is required for admission.

Notice to A.S. to B.S.N. Nursing Students: Some colleges and universities may require all general education courses, including the above common prerequisites, to be completed BEFORE application. Some may require all general education courses completed by the time a certain number of nursing courses are completed (before any 4000 level courses are attempted or before the final nursing course) or graduation. See the individual institution for details.

* Limited Access.
